- Basic mix/master finishing included.
- Project-level session organization.
- Rough/reference exports where needed.
- Light song-priority guidance during the session process.

What To Expect

- Advanced release planning, marketing, detailed tuning, or heavy editing are separate add-ons.

Important Notes

- All session time blocks are strict and include setup, file prep, recording, playback, exports, and wrap-up.
- Extra time is \$25/hr when available and must be approved.
- Basic mix/master is included; upgrades, heavy edits, advanced revisions, rush turnaround, or complex production may cost extra.
- Final scope and scheduling are confirmed through the separate intake/booking form.
