

Solo Album Package

Customer Package Information Sheet

Hi! Thanks for stumbling into Leaning Studios. Based on our conversation, we decided to go with the **Solo Album Package**. This is what you'll need to expect.

Package	Solo Album
Customer Type	Solo Artist
Song Count	8-13 songs
Starting Price	from \$590
Time Included	1-2 session days

Best For

Full solo projects, serious release planning, and artists building a complete body of work.

Package Outline

- Scheduled recording time for an 8-13 song solo album project.
- Basic mix/master finishing included.
- Multi-session planning where needed.
- Session/file organization for a full project.
- Basic project flow guidance to keep the album moving.

What To Expect

- Album sessions may be split across multiple scheduled blocks.
- Customers should be prepared with songs, references, beats, and file access before arrival.
- Full artist development, rollout planning, advanced vocal production, and extra revisions are not included unless scoped.

Important Notes

- All session time blocks are strict and include setup, file prep, recording, playback, exports, and wrap-up.
- Extra time is \$25/hr when available and must be approved.
- Basic mix/master is included; upgrades, heavy edits, advanced revisions, rush turnaround, or complex production may cost extra.
- Final scope and scheduling are confirmed through the separate intake/booking form.

Recommended Next Step

If the album reaches 14 songs or more, the next step is the Solo LP package.

Informational sheet only. This is not a contract or signature form.
